

## Mini-Grid Acceleration Scheme (MAS)

# Technical Assistance – Legal

Rural Electrification Agency

On behalf of the Federal Ministry of Power, Works and Housing

With the support from the Nigerian Energy Support Programme (NESP)

Implemented by

**giz** Deutsche Gesellschaft  
für Internationale  
Zusammenarbeit (GIZ) GmbH

# Advisory support during the MAS tender

- High level support on the due diligence exercise on prequalified bidders, legal and regulatory aspects of the due diligence on proposed projects.
- Legal opinions and response to queries on legal, commercial and regulatory aspects of the Scheme.

# Technical assistance during project implementation

- **Regulatory Support:** Provide guidance, advice and legal opinions in the procurement of regulatory approvals; mini grid permits, ESIA, Equipment Certificate, Building Approvals, NEMSA permits, certifications, land use right including engagement with the State Governments, (excluding the cost of these approvals);
- **Legal Support:** Support with the development of legal templates and facilitation of agreements under the Scheme, including Grant Agreement, Joint Venture Agreements, Power Purchase Agreements, Service Level Agreements and Offtake Agreements and legal opinions as may be required;
- **Fiscal incentives:** Provide legal advisory support in the acquisition of fiscal incentives such as tax holidays or import duty waivers;
- **KeyMaker Model:** Provide legal advisory support in respect of the development of KeyMaker Activities and related strategies including legal documentation as required.

# Thank you!
