ENERGY = EMPOWERMENT = EFFICIENCY

REA/01/MDCE/NEP/88/Vol.1/2019/1506

March 25th, 2019

Dear Sir/Madam,

Invitation to the Nigeria Electrification Project Workshop for the Mini Grid and Solar Home Systems Components

The Nigerian Electrification Project (NEP), implemented by the Rural Electrification Agency (REA) with support from the World Bank Group, invites you to participate in a workshop to launch Component 1 (Solar Hybrid Mini Grids for Rural Economic Development) and Component 2 (Solar Home Systems (SHS)) of the Project.

The workshop will provide potential developers with the relevant information required to participate in the Minimum Subsidy Tender and Performance-Based Grant for Component 1 as well as the Output Based Fund and the Market Scale-up Challenge Fund for Component 2. The workshop will also cover environmental and social requirements, and user training for the online platform for application submissions.

The workshop will be held on **April 15th and 16th 2019** at:

Ladi Kwali Hall,
Sheraton hotel,
Abuja

More information on these programs can be found on REA's website at:
